Queen's University Campus

All campus buildings that will be used for QHacks are highlighted in RED, and the ILC is marked in GREEN on the map provided below.

The opening and closing ceremonies will be taking place in the Biosciences Complex located at location J5 on the map. Additionally, all meals except for Saturday breakfast will occur at the Biosciences Complex. Saturday breakfast will take place in Leonard Hall (shown on the map).

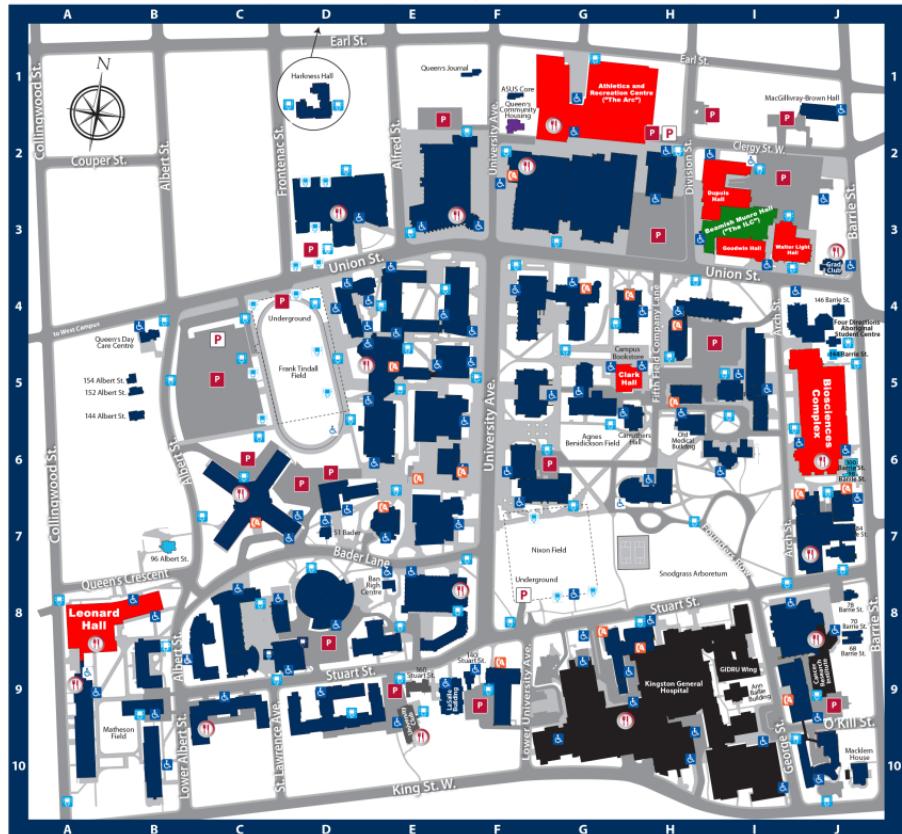

Workshop Locations:

Goodwin Hall (accessible through the ILC)

Walter Light Hall (accessible through Goodwin Hall)

Street parking is available on Union Street and Arch Street.

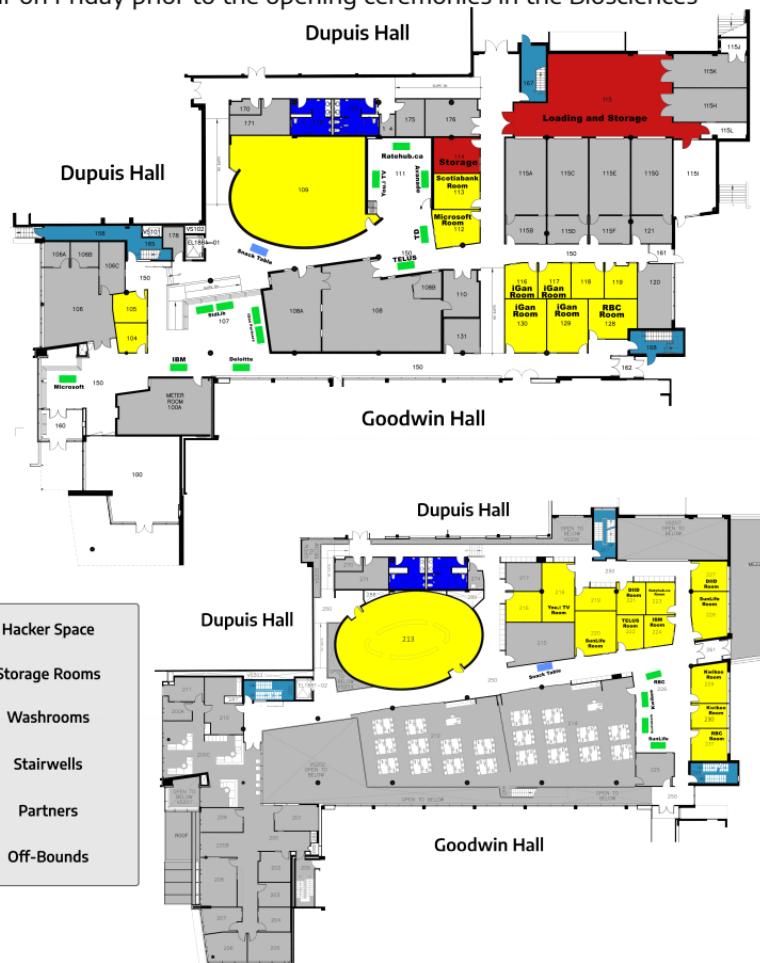

The partner social will occur on Saturday evening (as outlined in the attached schedule) at Clark Hall Pub located at G5 on the map. The entrance is on the south side of the building up the stairs. **The first few drinks are on us!**

Beamish-Munro Hall/ “The ILC”

QHacks will be taking place predominantly in Beamish-Munro Hall (more commonly referred to as “The ILC”) located at I3 on the Queen’s University Campus map. The building entrance is at the intersection of Division Street and Union Street, but it is also accessible through Goodwin Hall, Walter Light Hall, and Dupuis Hall (all at location I3). These other buildings will also be used for hacker space as well as workshops.

Partner tables will be set up in Beamish-Munro Hall as outlined in the floor plan. All partners/mentors will also have access to the Grad Student Lounge in Walter Light Hall on the 3rd floor where the partner briefing will occur on Friday prior to the opening ceremonies in the Biosciences Atrium.

Closing Remarks

Our Event Is Your Event

We are committed to working with you to make QHacks a worthwhile experience for your team and our hackers. If you have any questions at all throughout the event or if there is anything we can do to help improve your experience, please feel free to reach out to us at any point.
